Attention: Steve Rhinerson

Dear Mr. Rhinerson,

In reference to Public Notice - Public Service Commission of Kentucky, Case No. 96-032, this letter is to inform you that I will not grant permission for the construction of a 300 foot metal cellular radio tower within 500 feet of my property on Hwy 60 south of Sturgis by the Rosebud Church in Crittenden County, Kentucky.

My Son, Michael L. Robertson, currently resides on my property near the proposed site for the radio tower. Because of a congenital heart condition, Michael is required to wear a pacemaker. Michael has been advised by his doctor, as well as the maker of the pacemaker he currently wears, that he should avoid radio towers. Therefore, construction of the radio tower within 500 feet of my property would create a serious health hazzard for my Son as well as restrict his use and enjoyment of my property.

Sincerely,

Wilma Robertson
